PIE BOARD NOMINATIONS

Help shape the future of your child's FRCS experience!

PIE (Parents in Education) will be holding elections for next year's officers in June with nominations happening in May. We are looking for new people to be involved at all levels! Even if you don't want to run for a board position, there are many other ways to participate with as little or as much time as you have to give. Check out our nomination form [here](#).

Getting involved with FRCS PIE is a great way to:

- meet other FRCS parents and students
- learn more about what's going on at school
- help shape the activities that contribute to the FRCS community and your child's FRCS experience

If you just want to check things out, come to our next PIE meeting on Thursday, June 12 at 7PM in a location TBD. We will be discussing the activities for the rest of the year, starting to think about next year and we will be nominating for next year's board positions.

Announcement

It is with a heavy heart that I let you all know I will not be running for the position of PIE president for the 2014/2015 school year. This was not a decision that was reached with haste; it's something that has been on my mind for a while now. I've enjoyed my last two years getting to know and work with you but it's time to turn my attention back to my family. I will still be chairing events next year so I will still get to enjoy all of your smiling faces ☺ It is my hope that someone with a dynamic personality will step into the position and take it even further than I could have. Here's to a great new school year!

Sincerely-
Jennifer Smith, PIE President

Shoebox Recycling**

We Joined the Reuse Movement!

We just signed up for ShoeBox Recycling! It's an amazing community service fundraising opportunity where you we can actually ***Recycle Your Shoes, Find Your SoleMate!***

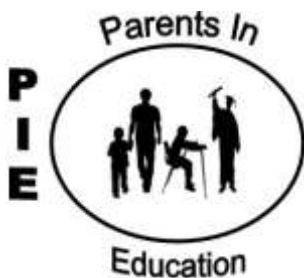

We will be collecting shoes for reuse, spreading the message that 'worn is not worn out' and hopefully connecting with people around the globe through the magic of a SoleMate note. Just like the old 'message in a bottle,' only now the vessel is your shoes that you know longer wear.

People all over the globe depend on second hand shoes:

- So they can attend school
- To protect against bacteria born illnesses
- For Self Esteem
- For Job Creation

This collection will help us to purchase ongoing supplies necessary to promote a successful **School Garden**, such as compost bins, seeds, potting soil, mulching, low tunnel materials...etc.

Check out this [PDF](#) for all details.
