We're coming down the final stretch! On May 6, we are hosting a great luncheon for teachers and staff. See page two of this newsletter, our facebook page or your room parent emails for links to sign up. Start thinking about something you'd like to send in! If you're not a food person, we'll need dry goods and beverages and folks to help set up and serve. We've come up with one last activity designed for ages 11-99 (parents, students and staff): Line Dance Instruction class on May 13 from 7-9pm. C'mon down and enjoy a little Friday night social exercise! The school year's not over until we have field day! We need as many volunteers as we can get! It's hard not to enjoy an event where everyone is having fun! (Don't forget to complete a CORI form two weeks in advance!)

Here's a special thank you to all of our student and parent volunteers who contributed to our best yet Father-Daughter-Someone Special Dance. We had over 400 guests! Another thank you goes out to our staff snack coordinators and volunteers who step up each month donating their time and snacks for our teachers after a long day.

News flash! We are happy to announce that families can now **register and pay** for events online. Sign up today for our Line Dance event on May 13th on our Events page [here](#). This online payment method will also be available to order field day t-shirts – No more checks in the bottom of back packs!

It's never too early to start thinking about next year. What will you be doing? We will be changing things up next year - eliminating some activities and adding a few new opportunities to support teacher and school activities. We would love to have a few new folks with some new ideas! There will be board members stepping down and vacancies will need to be filled. Join us at our PIE meeting in May for nominations to next year's board, and join us again at our June meeting to vote in the new board. I urge you volunteer through PIE, even if not for a board position, to support your child's school and help continue to make it an even better place. PIE is a great place to make new friends, and join a high energy group of parents! Getting involved in any small way WILL make a big difference to everyone. Watch those signups for volunteer opportunities and learn just how you can get involved!

Board members are not required to run events, Participation in monthly meetings or joining a conference call is required. Fresh voices and ideas are always welcome *including FRCS dads*. All positions are open, as members must be nominated (May 12 PIE mtg.) and elected to their position (June 9 PIE mtg). Vacancies to be filled for next year are President, 1st and 2nd Vice President and Corresponding Secretary. There must be a board of directors for this parent organization to continue. If you are interested in keeping PIE up and running, or have an idea for another form of a parent organization, please share your ideas we'd love to hear from you. Send us an email at parentsineducation@yahoo.com.

We're still collecting them! Keep sending them in! There will not be another contest this school year, but stay tuned in the fall! Remember, expired box tops do not count – check the expiration dates as you clip!

A great big shout out to everyone who attended or volunteered at our **Daddy/Daughter/Someone Special Dance!** We had a fabulous time and we hope you did too! It was wonderful to see so many smiling faces!

A Friendly Reminder!

We'll need plenty of volunteers at our end of year activities! And if you're volunteering, you'll need a completed CORI form on file with FRCS prior to volunteering at an event! Please be certain to fill out a CORI form and send it in to the school at least **two weeks** ahead of your volunteer date. It's for the safety of our students! Find the CORI form [here](#).
