Dear Families,

I'm sure, like my two boys, many students were less than thrilled about being rattled out of bed at 6am on a hot summer day to begin another school year last week. However, these same children of mine have suddenly transformed into non-stop chatterboxes and I can sense the excitement around the dinner table. A new school year brings new adventures and recharges a love of learning. New friendships are being formed and reconnecting with old friends surely brings back a comfort level.

In this season of change, PIE is looking forward to playing a part in creating a well rounded education for our children. PIE also looks forward to continuing its commitment to building a strong supportive community with parents, teachers and support staff. Our PIE Board has been busy this summer setting the wheels in motion for some great events: old favorites like the Welcome Back Picnic on Sept. 11; Scholastic Book Fair on Oct 13-16; Holiday Fair, Dec. 22-23; Paint Night on Jan. 8 and some new events this year, a Family Hoedown/Line & Square Dancing event on Nov. 20th, and a Vendor Fair on Apr. 1 for our parents who run home based businesses.

All of our events happen with the help of volunteers behind the scenes or working together running an event. How will we keep you informed? This is where our room parents/grade communicators help us get the word out.

We hope you will join us on September 10th at 7pm in the Media Center for our first PIE meeting. We look forward to creating new adventures and getting to know our new families while picking up where we left off with old friends.

Regards,

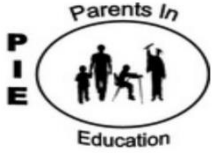

Kathy Montal
President
