WELCOME BACK AND WELCOME ABOARD NEW FAMILIES!

We hope you are as excited as we are to begin a new school year at FRCS! The Parents In Education organization is looking forward to getting to know you and catching up with old friends. We are bringing back family favorite activities and some brand new experiences. During the first week of school, students will be sent home with a packet of important information. Along with an emergency contact form is information detailing how you can become involved in the FRCS Community.

Parent volunteers are a key element necessary to the success of any PIE event. The more volunteers we have to help out at events, the process of planning and executing events becomes much easier and more fun for everyone!

An important role that many of our parents take on is that of Room Parent (K-5) or Grade Communicator (6-12). PIE utilizes these volunteers to communicate important student and family events. In order to stay informed, it is vitally important that you provide PIE with your email address so your Room Parent can funnel information to you. **NOTE: Last year's room parents are still in place until new ones are selected in the next few weeks.** If you'd like to take advantage of the many volunteer opportunities, you must complete a CORI form and submit it to the Central Office.

Please join us at our first Board Meeting, September 11th at 7:00pm in the Media Center. Your input is important to us!! Childcare will be available and to kick off the year we will have raffle prizes! Read on for more details on our upcoming events.

Our first event of the year is an informal Welcome Back Family Picnic to be held on school grounds, Friday, Sept. 12th at 6:00pm.

We hope to see you there!

Regards,
Kathy Montal
